MORRISON

WILDCAT

EIGHTY THREE

We the class of 1983 think it is a privilege to dedicate our Yearbook to Randy Shiever, Mike Kerr, Dennis Casey and Joe Sindelar.

We are proud to have each and everyone of these men as a teacher, coach and as a friend. We hope they enjoy Morrison as much as we have.

All four of these men show Good Sportsmanship in whatever they are coaching and this is something everyone should be proud of.

The coaching job these men do makes a world of difference to a lot of people, when it come to the attitude of going to school. These men are doing something they enjoy and will do anything they can to help anyone.

THANKS COACHES!!!

House Of Yahweh
Wisdom — For Teenagers

As a parent, I have wondered how we have failed the young people. There is so many unhappy marriages, divorces, shack ups, rapes, abortions (which is murder), drunkenness, dope, without mention lying and etc.

How do we straighten this filthy mess out? Where did we go wrong? What can we do about it? It's a fact we blew it for our children. We are the blame. But you children don't have to blow it for your families. Starting with you, you can turn this filthy lifestyle around and make this world worth living in again. Make your ancestors ashamed. We have fed the lust of our flesh (our outer man) and let our families and responsibility go. And the country went with it. You can feed your inner man and nourish your children's children, up to be heavenly material. How? By reading and living the Bible. As Fathers and Mothers we lied to you children by telling you "The Laws are done away with." Thats the reason we have all this unhappiness. We wanted to feed the flesh (outward man), Which is the way to Hell!

Please forgive us, and help us improve. Matthew 5:19 says, whoever keeps and teaches the commandments shall be great in the kingdom. Isn't that WONDERFUL!? The Apostle Paul said if it was not for the law, I Know not sin. Sin is breaking the law. He said, The Law is just, good, and holy, a

perfect way of life. Our Savior Yahshua would always say after deliverance- Go and sin no more. In other words quit breaking the commandments and start keeping them. Isn't that simple? It's a lot easier and nicer, also, to keep laws after receiving Yahshua as your saviour and his shed blood as your atonement. The shed blood is to cover the commandments you broke, which is your sins. Go and sin no more. Now the law is more than just the Ten Commandments. The first five books of the Bible, Gen. through Deut. is known as the law. And, also, you will find that it is your foundation for understanding the New Testament. The New Testament must be based on the law and the Prophets, Isiah 8:20. If not, there is no light or truth in them. So you can see who is preaching the truth. A lot of ministers and churches are after your money. What I am after is to give your future family a better chance in life than your family gave you. Teach them Yahweh's commandments, and be happy and healthy. The law tells you what to eat and what not to eat, Lev. 11. The law teaches the beauty of keeping your virginity, Deut. 22, and many more. It also teaches you what to wear!

Your friend and brother in Yahweh,

Howard Hicks and family
